Integrating the New Model

- Use available technology to push information to the lowest level
- Educating ourselves (and our clients!) on how to problem solve and research options
- Create a service plan for our own development:
 - Smart Force training
 - Use your team members knowledge
 - Network, network, network

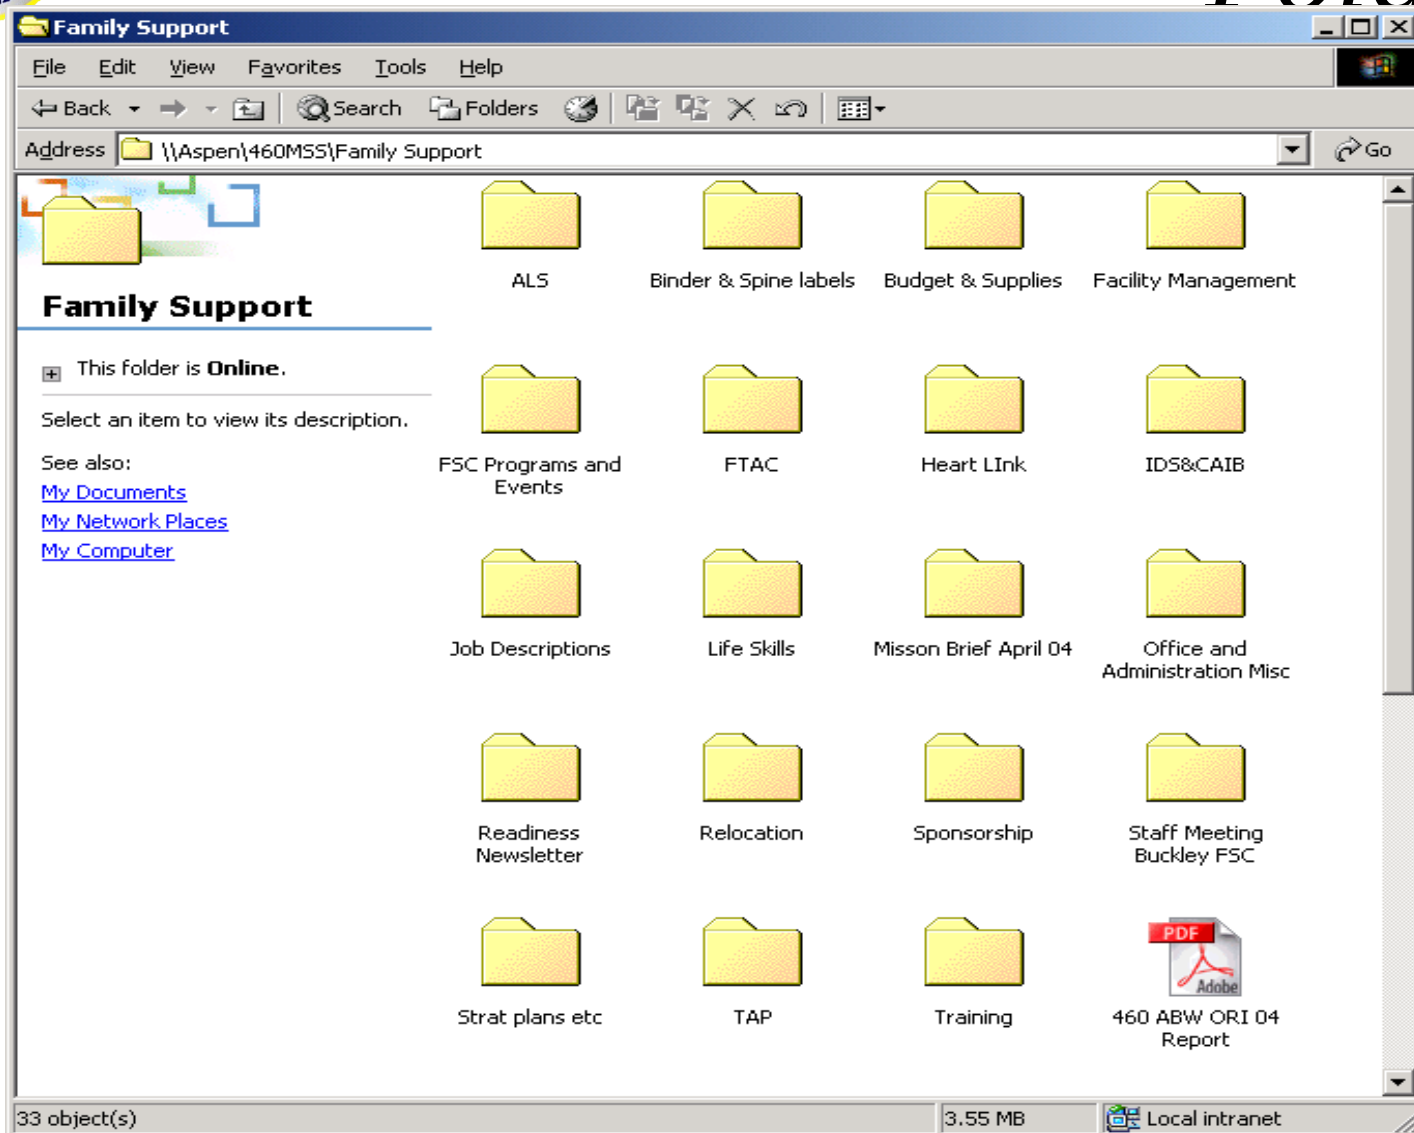

Sharing Information

- Network folder for each “program”:
 - Contains handouts, forms, etc for each area
- Accessible from any network computer:
 - Reduces need to carry paper to the units
 - Forms are also live to support hyperlinks and websites

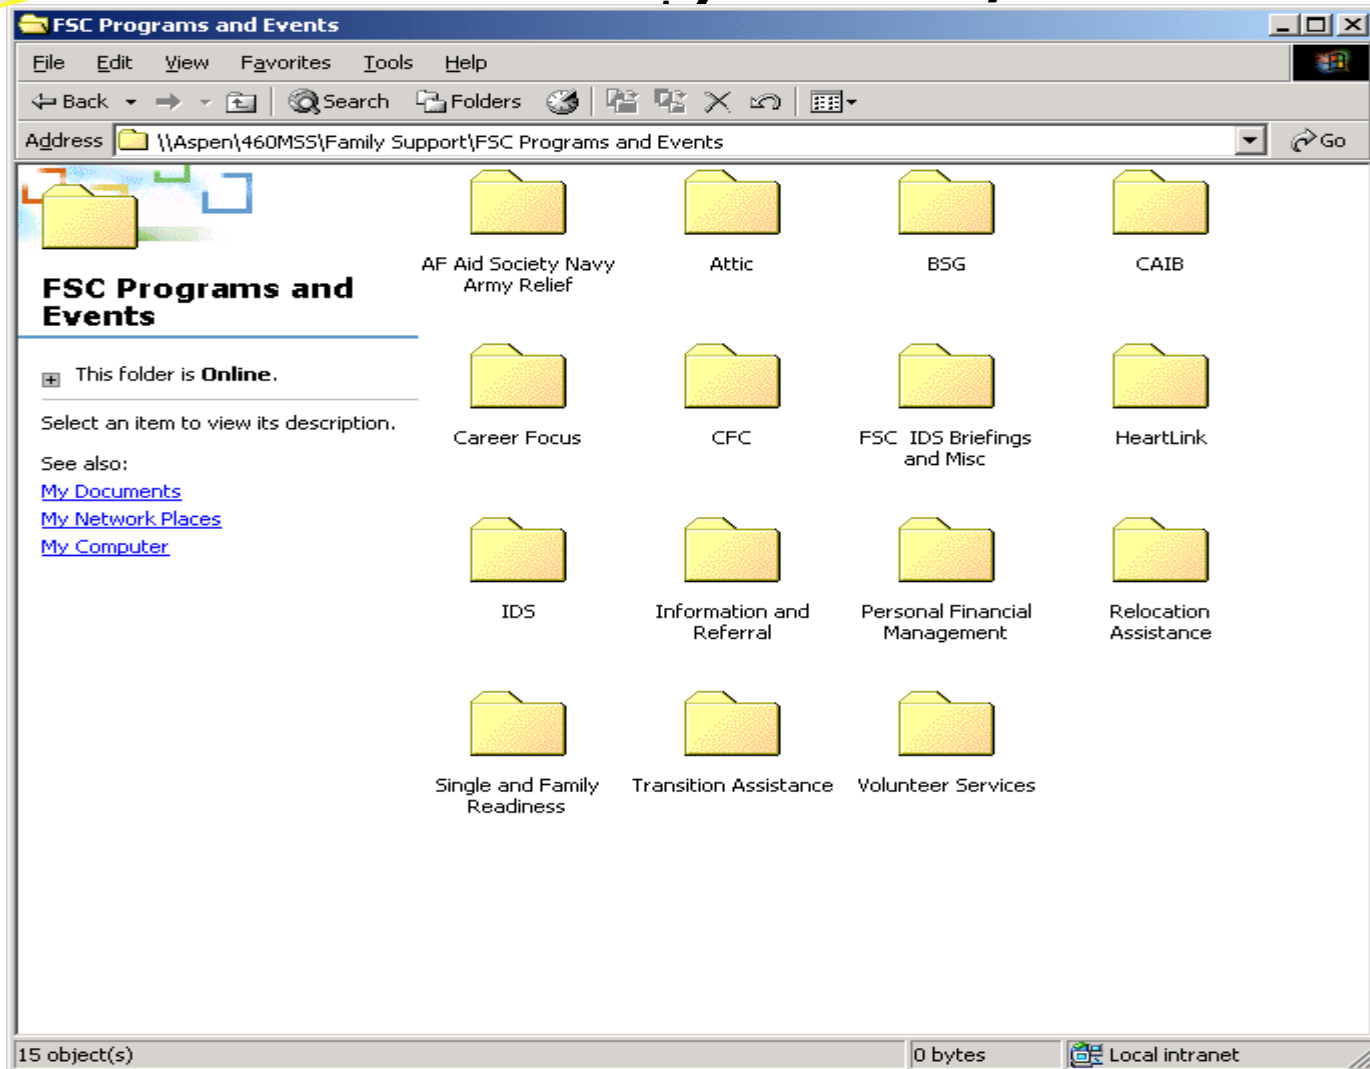

FSC Shared Network Folder
